- Add friends
- Like and reply posts

Index Page

This is the index page. Here you can do 3 different things:

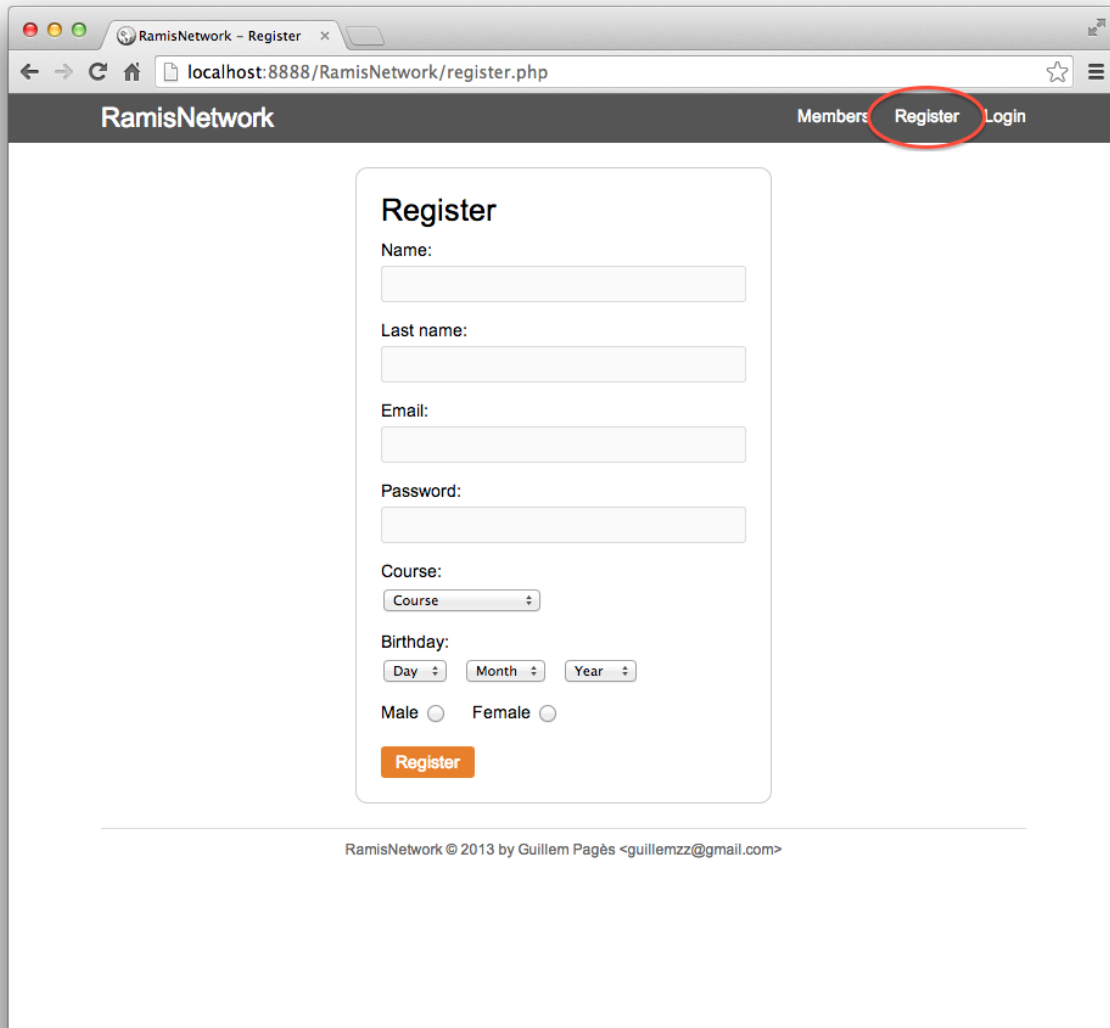

- **Register** a new user.
- **Log in** as an existent user.
- Browse and search for **members**.

Register

In the register page you can create a new user. All the information below is required:

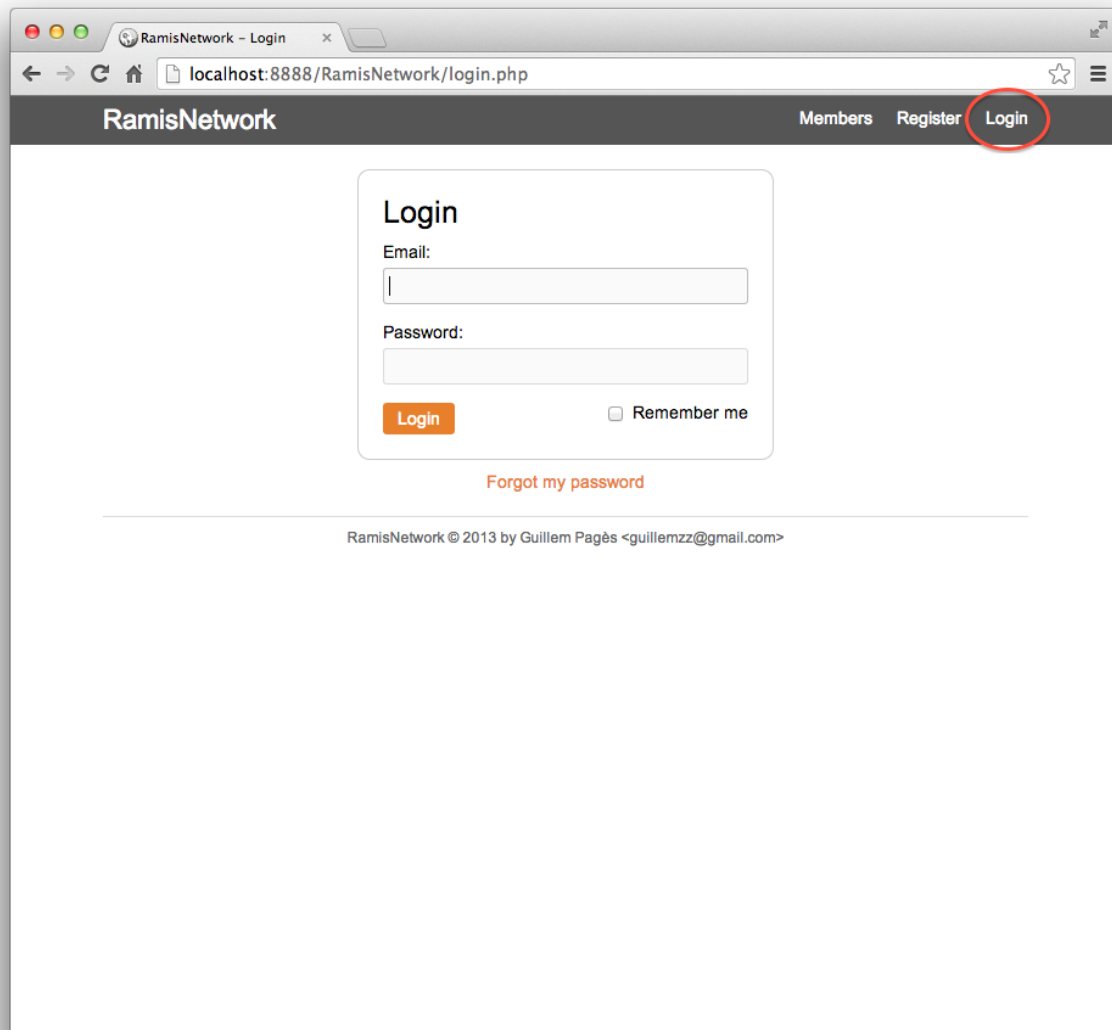

- **Name:** Your real name.
- **Last name:** Your last name (also real).
- **Email:** Here you have to provide an *iesjoanramis.org* email.
- **Password:** Choose a password (greater than 3 characters).
- **Course:** Select your course.
- **Birthday:** Your birthday.
- **Gender:** And your gender.

The screenshot shows a web browser window with the title "RamisNetwork - Register". The address bar shows "localhost:8888/RamisNetwork/register.php". The page has a dark header with "RamisNetwork" on the left and "Members", "Register", and "Login" on the right. The "Register" link is circled in red. The main content area contains a "Register" form with the following fields: "Name:" (text input), "Last name:" (text input), "Email:" (text input), "Password:" (text input), "Course:" (dropdown menu with "Course" selected), "Birthday:" (three dropdown menus for "Day", "Month", and "Year"), and "Gender:" (radio buttons for "Male" and "Female"). An orange "Register" button is at the bottom of the form. The footer of the page reads "RamisNetwork © 2013 by Guillem Pagès <guillemzz@gmail.com>".

Login

Log in to the network with your email and password.

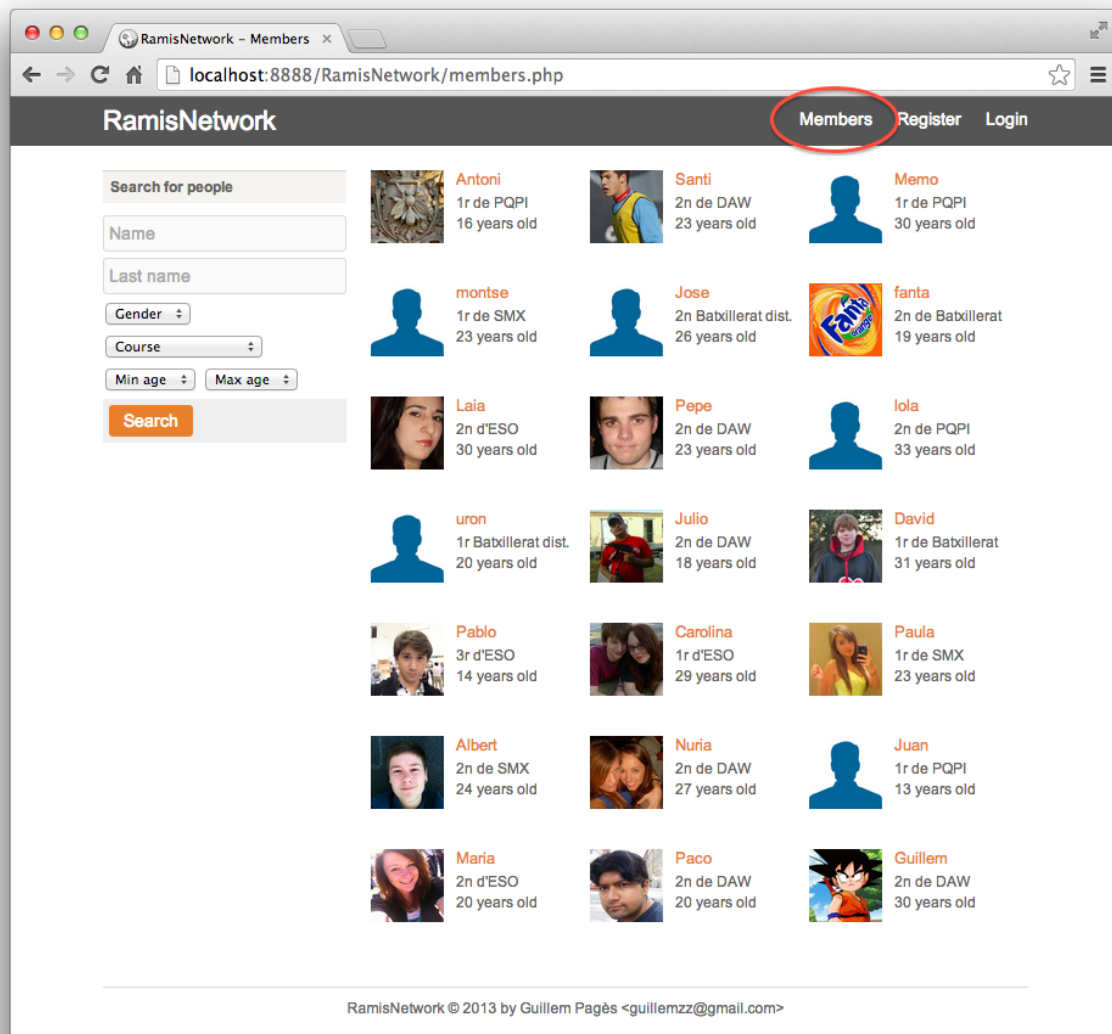

The screenshot shows a web browser window with the title "RamisNetwork - Login". The address bar displays "localhost:8888/RamisNetwork/login.php". The page features a dark header with the "RamisNetwork" logo on the left and navigation links "Members", "Register", and "Login" on the right. The "Login" link is circled in red. The main content area contains a "Login" form with fields for "Email:" and "Password:", a "Login" button, and a "Remember me" checkbox. Below the form is a link that says "Forgot my password". At the bottom of the page, a footer line reads "RamisNetwork © 2013 by Guillem Pagès <guillemzz@gmail.com>".

Members

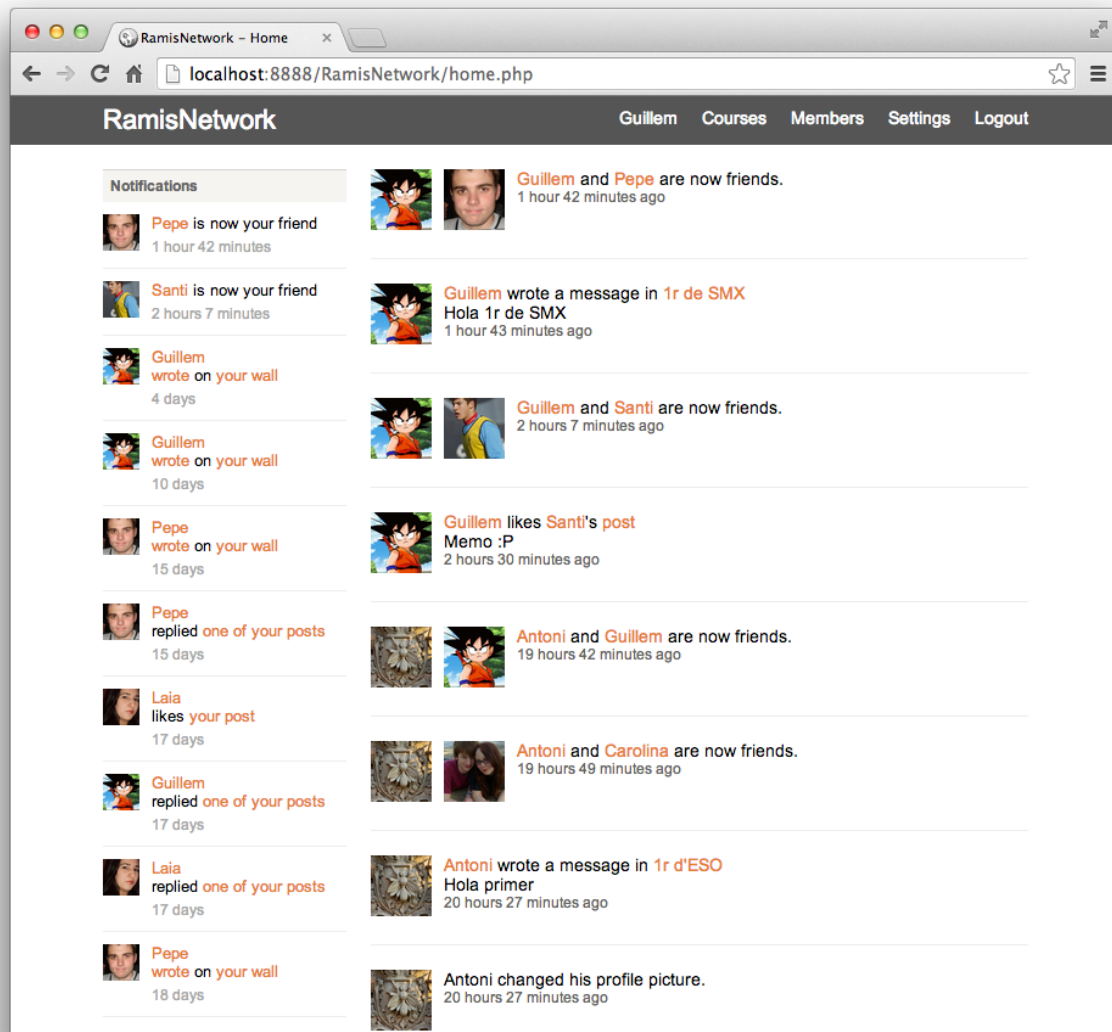

In the members page you can browse and search people from the network.
You can restrict the search by different parameters like:

- **Name**
- **Last name**
- **Course**
- **Age** (min and max)

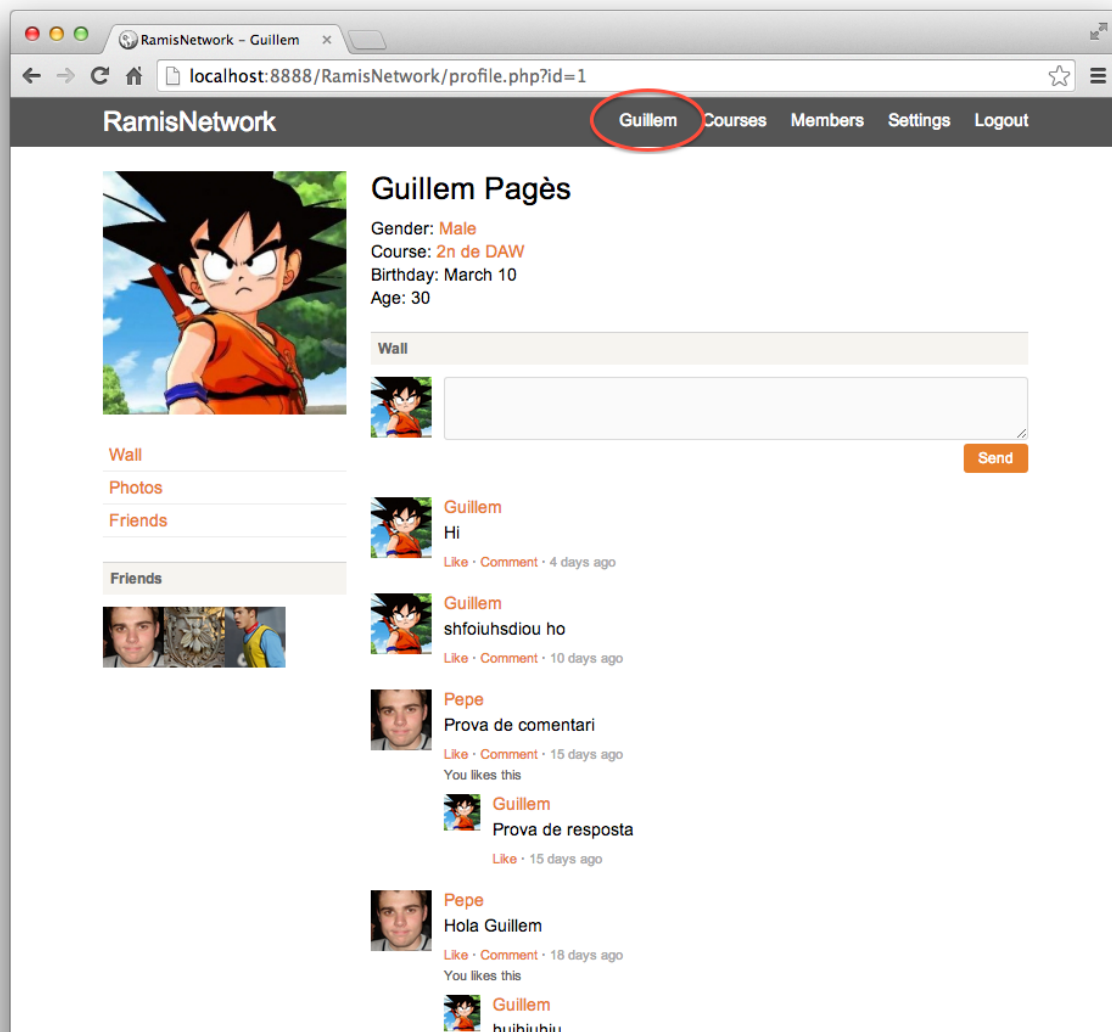

Home page

This is the home page. Here you will be able to see the global timeline (in the right panel), the notifications feed (in the left panel) and the friend requests (it will appear on top of notifications).

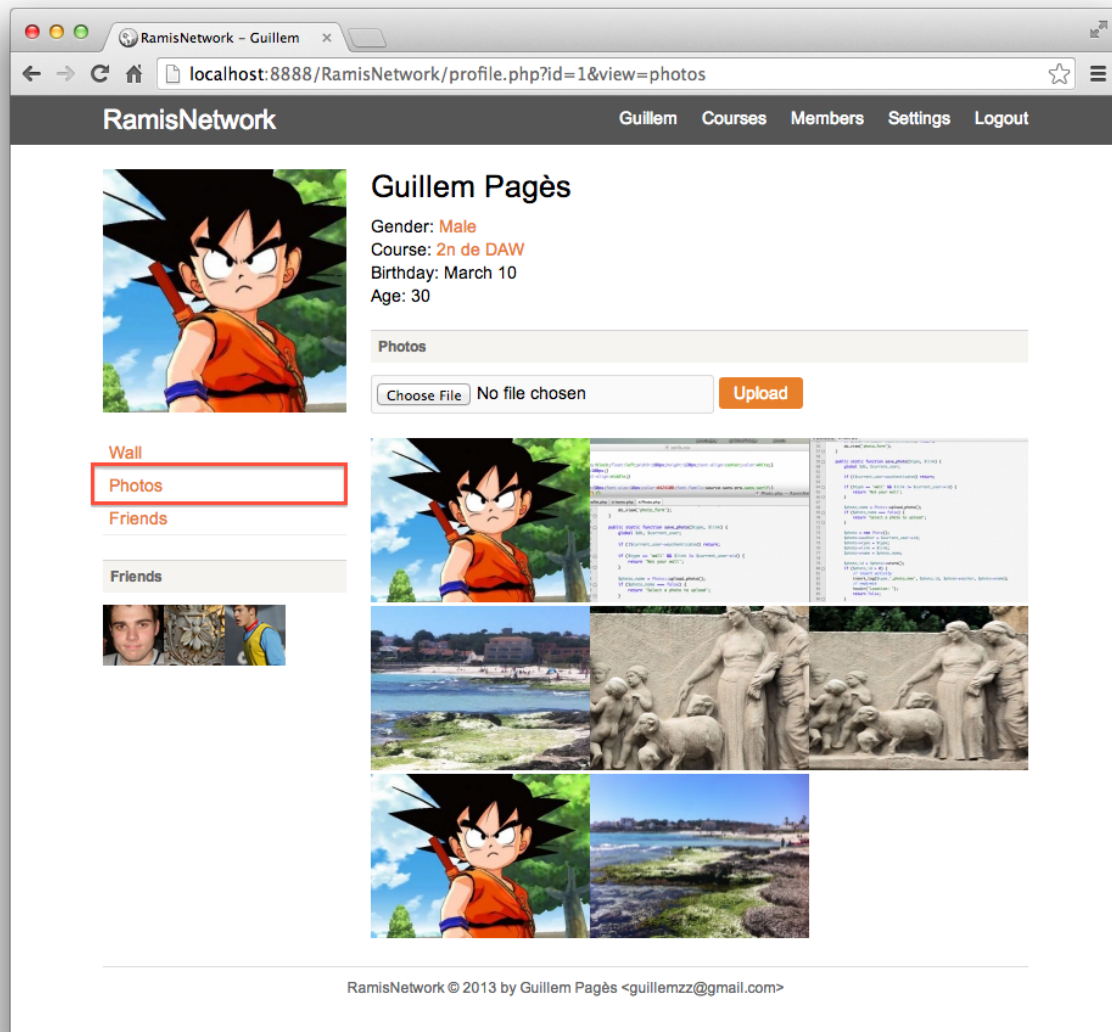

Profile

This is your profile page. Here you can post messages in your wall, upload photos, view who are your friends. And people, could see your gender, course, birthday, age and post messages to your wall. Also they can reply and like comments.

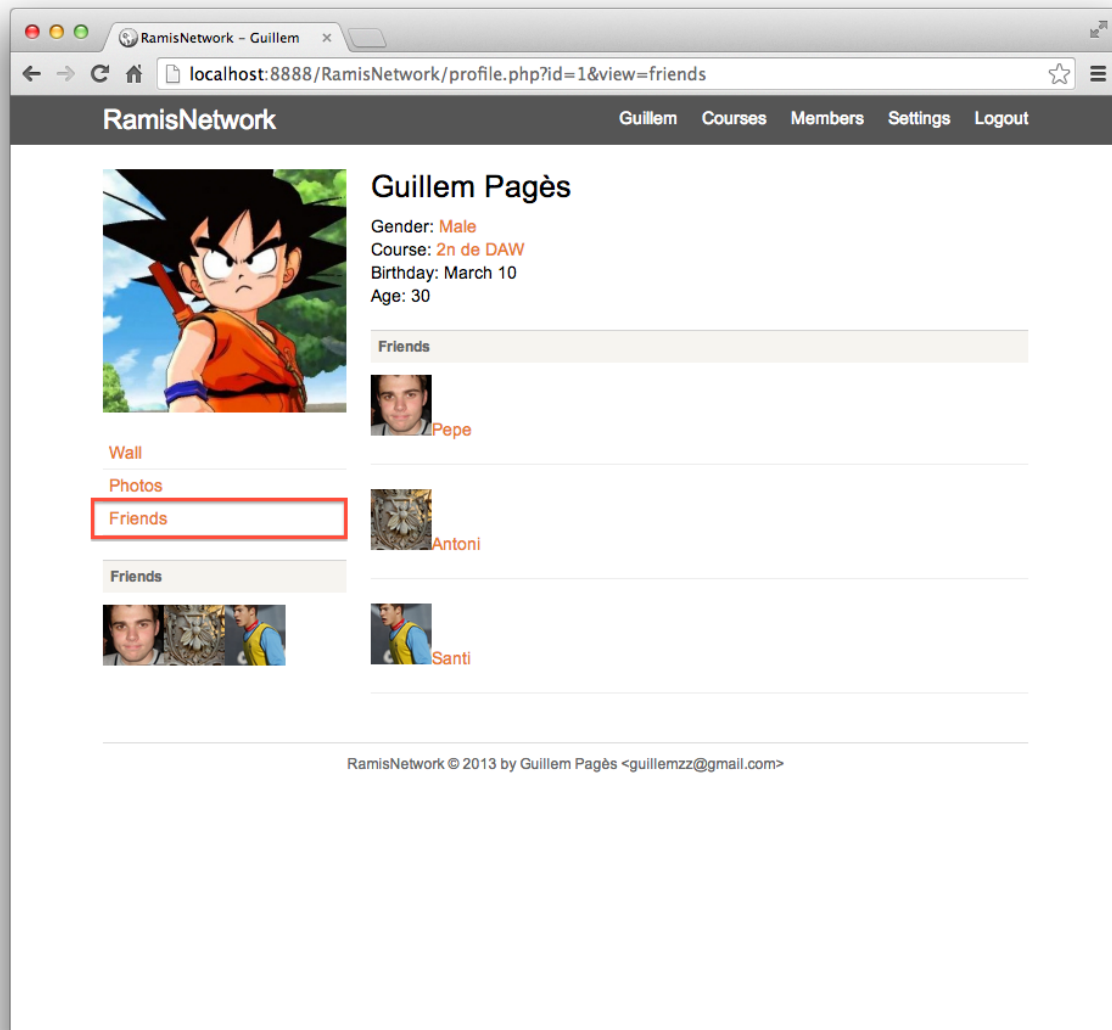

Profile - Photos

In the photos section you can upload photos choosing them in the form. People can see your photos too.

Profile - Friends

Here you and other people can view who are your friends.

Settings

In the settings page you will be able to modify your personal information and upload a picture for your profile. In the future, you will manage your privacy settings too.

Courses

This is the list of available courses in the network. You can choose on and see the activity of all of them in the left panel.

Course profile

When you select one course from courses list you will see this. This is like a personal profile but it's about a course. Here you can post messages and see who are the members.

Send a friend request

To send a friend request, go to his/her profile and click the **send request** button. He/she will receive a notification to accept your request.
